Committee's Report

MODEL AERONAUTICAL ASSOCIATION OF AUSTRALIA (INC) For the year ended 30 June 2020

Committee's Report

Your executive committee members submit the financial report of MODEL AERONAUTICAL ASSOCIATION OF AUSTRALIA (INC) for the financial year ended 30 June 2020.

Committee Members

The names of executive committee members throughout the year and at the date of this report are:

Committee Member	Position	Date Started / Terminated
Neil Tank	President	Aug 2012 to present
Tim Nolan	Vice President	May 2020 to present
Bruce Hoffman	Vice President	May 2018 to May 2020
Gary Pope	Treasurer	Sep 2017 to present
Tyson Dodd	Secretary	August 2018 to present
Neil Tank	Public Officer	May 2013 to present
Tyson Dodd	Safety Manager	May 2019 to present

Meetings of Committee Members

During the financial year, a number of executive committee meetings were held. Attendances by each of committee member during the year were as follows:

Committee Members Name	Number Eligible to Attend	Number Attended
Neil Tank	10	10
Tim Nolan	1	1
Bruce Hoffman	9	8
Gary Pope	10	10
Tyson Dodd	10	10

Principal Activities

The MAAA is the largest aeromodelling organisation in Australia and encourages and supports Australians to enjoy aeromodelling in a safe and fun environment.

MAAA provides a management structure, technical expertise and club management support, making it easier for clubs to grow and manage their sport.

As a leading expert the MAAA help clubs provide the best advice, instructors and knowledge base so members can safely learn to fly and enjoy their sport.

Significant Changes

No significant change in the nature of these activities occurred during the year.

Additionally operations have not been adversely affected by COVID19.

Operating Result

The profit after providing for income tax for the financial year amounted to, as per below: \$231,733

Going Concern

This financial report has been prepared on a going concern basis which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business. The ability of the association to continue to operate as a going concern is dependent upon the ability of the association to generate sufficient cashflows from operations to meet its liabilities. The members of the association believe that the going concern assumption is appropriate.

Signed in accordance with aresolution of the Members of the Committee on:

Neil Tank (President)

Date 2 / 9/2020

Gary Pope (Treasurer)

Date Z/ 9/ 20 20

The accompanying notes form part of these financial statements. These statements should be read in conjunction with the attached compilation report.

Notes to the Financial Statements

MODEL AERONAUTICAL ASSOCIATION OF AUSTRALIA (INC) For the year ended 30 June 2020

1. Summary of Significant Accounting Policies

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1985 - South Australia as amended. The executive committee has determined that the association is not a reporting entity.

The financial report covers Model Aeronautical Association of Australia Inc. as an individual entity. The Model Aeronautical Association of Australia Inc. is an association incorporated in South Australia under the Associations Incorporation Act 1985 - South Australia as amended.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

Income Tax

No provision for income tax has been raised as the association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997. The MAAA is an association established to encourage and support Australians to enjoy aeromodelling in a safe and fun environment. The association has a physical presence in Australia and, to that extent, incurs its expenditure and pursues its objectives principally in Australia as required under Division 50-70 of the Income Tax Assessment Act 1997.

Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Freehold Land

Freehold Land reflects purchases of land both pre and post the adoption of Australian Accounting Standards in 2005. The Elgin, Bairnsdale, Reeves Plains and Finnis land is held at cost plus capitalized legal expenditure and relates to land purchased post 2005. The Sale and Toowoomba properties purchased pre 2005, are held at deemed cost in the financial statements, where their value reflects a revaluation increment allowed by AASB1; First time adoption of Australian Accounting Standards.

Employee Provisions

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Cash on Hand

Cash on hand includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

Financial Assets

Investments in financial assets are initially recognised at cost, which includes transaction costs, and are subsequently measured at fair value, which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

MODEL AERONAUTICAL ASSOCIATION OF AUSTRALIA INC. INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MODEL AERONAUTICAL ASSOCIATION OF AUSTRALIA INC.

We have audited the accompanying financial report, being a special purpose financial report of the Model Aeronautical Association of Australia Inc., which comprises the statement of financial position as at 30 June 2020, the statement of profit or loss and other comprehensive income, statement of changes in members funds and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the governing Committee's declaration.

Responsibility of Those Charged with Governance

The governing committee are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in **Note 1** to the financial report is appropriate to meet the requirements of the *Associations Incorporation Act (1985) (South Australia)* and is appropriate to meet the needs of the members.

The governing committee's responsibility also includes such internal control as the governing committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the governing committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

MODEL AERONAUTICAL ASSOCIATION OF AUSTRALIA INC. INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MODEL AERONAUTICAL ASSOCIATION OF AUSTRALIA INC.

Independence

In conducting our audit, we have complied with APES 110 Code of Ethics for Professional Accountants.

Opinion

In our opinion, the financial report of Model Aeronautical Association of Australia Inc. presents fairly, in all material respects, the association's financial position as at 30 June 2020 and its performance and its cashflows for the year ended on that date in accordance with Australian Accounting Standards, the accounting policies described in Note 1 to the financial report and the financial reporting requirements of the Associations Incorporation Act (1985).

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Model Aeronautical Association of Australia Inc. to meet the requirements of the *Associations Incorporation Act (1985) (South Australia)* and the needs of the members as determined by the governing committee. As a result, the financial report may not be suitable for another purpose.
